THE TROJAN

VOLUME XXVIII

1954

Published by the Senior Class

MODELS

"And first with nicest skill and art,
Perfect and finished in every part,
A little model the Master wrought,
Which should be to the larger plan
What the child is to the man,
Its counterpart in minature."

Longfellow

The 1954 "Trojan" Staff present Troy High School as a Model of the larger world into which her students go. The clay models fashioned by the Art Staff introduce the many fields of school activity which mold the student as the artist molds his clay. Pictures and records show the models in reality.

Dedication

In appreciation for her excellent teaching and thoughtful guidance of individual students, and for her earnest support of school morale, the Senior Class dedicates the 1954 TROJAN to Zelpha I. Bowers.
